Citymall 1<sup>st</sup> Floor , Junction of Morogoro & Bikititi road, Dar es salaam , Tanzania

TSL Technologies Ltd is an innovative and forward-thinking company that is at the forefront of technological evolution established with a passion to transform businesses and deliver cutting-edge I.T solutions to our clients since our inception in 2015. Our values determine how we treat our people, clients and partners. *[They define who we are]*

To complement our services, we have formed business alliances with world renowned providers to empower our clients with technology solutions that drive efficiency, innovation and competitiveness.

We have an extensive network of dealers and re-sellers across the country and abroad to furnish our products and services.

Our offices can be found within Tanzania in Dodoma, Mwanza, Arusha and our agents in Mbeya, Moshi, Tanga, Lindi, Songea, Tabora, Singida, Tunduma and Morogoro.

## OUR VALUES :

01

### EXCELLENCE:

We strive to deliver excellence in every aspect of our work, setting high standards for quality and unmatched value.

02

### TRUST & PRIVACY:

We prioritize the security and privacy of data, adhering to strict standards to safeguard our clients' information and protect the trust between us.

03

### COMMITMENT :

Client satisfaction is the primary goal of everything we do. We prioritize their needs, by providing personalized solutions and exceptional service.

04

### CONSISTENCY:

This one ties in with trust and credibility. We want our clients to describe our interaction with them using the term 'always'.

05

### LONG TERM PARTNERSHIPS:

We aim to build lasting partnerships with our clients, working collaboratively to achieve long-term success.
